Notes:

1. Oak Creek charges an operational size factor equal to $1 per square foot of operational space at 50%. Example: a 100 sq/ft operation will have a fee of $50 added to the Initial and renewal fee. See the attached table showing the operational sizes of local marijuana facilities.

2. Hayden has one retail sales operation. Cultivation license fees increase with number of plants.

3. Craig has no cultivation licensee's.

4. Cultivation license fees increase with number of plants.
