Important Information Regarding Animal Control

There is a change in Animal Control Services and Animal Shelter Services for the Town of Oak Creek

We are no longer using Routt County Humane Society to shelter or care for animals.
They will not provide services for you if you live in the Town Limits.

Complete information about the changes in services is available at Town Hall.

For animal services and information during regular business hours call Town Hall at 970-736-2422

For animal services during non-business hours call the police department dispatch 970-879-1090

It is more important NOW than ever before to LICENSE your pet.
A town license may save you a trip to Craig.
