Dear Town of Oak Creek Representatives,

We are currently working with the Town of Yampa to update Yampa's Comprehensive Plan and wanted to share the current draft of the Plan with you. We would appreciate the Town of Oak Creek's input on the current draft of the plan, especially as it relates to ensuring continuity with shared planning goals for the South Routt County region. In its current state, the draft plan (attached) addresses the input that we've already gathered from the community, Yampa's Town Board, and stakeholders over the past several months.

Prior to finalizing the plan, we would like to give our local and regional stakeholders the opportunity to review the draft plan and provide any additional input that can be incorporated into the final version.

The next step in our planning process is a **Yampa Town Board work session, scheduled for 6pm. Wednesday, June 21st at Yampa Town Hall**, where the Town Board will review the final draft of the Plan and discuss any remaining revisions needed prior to Plan adoption (currently targeted for July 12th).

To help us prepare for the June 21st Town Board discussion, it would be helpful if you could please provide any comments by **Wednesday, June 7th**. Feel free to reach out with any questions during your review, and we would also be happy to set up a meeting to walk through the draft Plan with you if you would like.

Thank you so much. We appreciate your partnership with the Town of Yampa!

Kate Berg, AICP
