CONFLICTS OR ISSUES: See the above information. Will a change result in additional requests that the Town Board will want to address?

SUMMARY AND ALTERNATIVES: The Town Board may find a legal method to permit the Rochon's request, however the process must be a public process. The Town Board may not want to change or bend the Town code for this request. There are storage units located less than 100-yards from this location that will be available for rent on a temporary basis.
