Oaktoberfest is a fall festival and extension of the Mica Gardenscapes Pumpkin Patch. The goal of the event is to bring the community together for family friendly fun and as a fundraising opportunity for the town of Oak Creek's youth clubs and rec programs. There will be a ticketed event on the lot, the proceeds of which will be donated to the town, and free games are proposed to be located on Sharp Ave. The kickoff costume parade is also proposed to be on Sharp Ave. Having the street closed will not only allow for more room for activities but also create a safety buffer between kids/pets/people and the road. Below is a proposed timeline with some details of the event.

SET UP @ 9 AM
