REQUEST OR ISSUE: The RTA's advisory board is asking each municipality to consider appointing a representative to serve as the community's lead representative to the RTA Advisory Board.

RECOMMENDED ACTION: That the Board appoints a Board member to serve as the Town of Oak Creek's representative to the RTA Advisory Board.

BACKGROUND INFORMATION: There is consideration to provide some form(s) of transit in NW Colorado to provide affordable mass transit to users and address regional current and projected future road congestion on the existing highway systems. In the recent past the Colorado Governor's office has supported exploring this type of regional transit development, and it is supported by the regions climate action plan(s). A financial and needs analysis was recently completed and the advisory board now seeks to become more formal and invites in the NW Colorado municipalities to participate.

FISCAL IMPACTS: Not known.

LEGAL ISSUES: Not known.

CONFLICTS OR ISSUES: Not known.

SUMMARY AND ALTERNATIVES: See above.
