

Tuition Assistance

Need Help Paying for Childcare?

First Impressions offers assistance to help offset the cost of tuition. Eligible children must be enrolled or eligible for enrollment in a participating, licensed, childcare center, family childcare home or preschool program in Routt County. Tuition Assistance is paid directly to the participating Child Care Center/Provider on behalf of approved families. First Impressions Tuition Assistance is limited to working families earning up to 325% FPL (\$6,618 gross monthly income for a family of 4) and who are not eligible for the Colorado Child Care Assistance Program (CCCAP.)

Before applying for CCCAP, you may contact Fran Snider at the Routt County Department of Human Services to determine your eligibility.
