Town Administrator/ Clerk Corner

Changes Ahead

We said goodbye to David Torgler the beginning of July as he accepted a new position closer to home. We wish him the best in his new position as the Town Manager in Cedaredge, Colorado.

Jennifer Hewes, Treasurer, deserves a big shout-out for holding down the fort in the front office. While we are reviewing applications, the Town is still seeking someone to fill the Deputy Clerk position. This position works closely with the front office staff and utility customers and is critical to making sure things run smoothly.

And while the Town Board undertakes a search for a new Town Administrator/Clerk, I've agreed to help out on a part-time basis. I'm around intermittently for the next couple weeks, however once the kids are back in school, you'll find me in the office on Fridays and a couple afternoons a week. If you need assistance or have questions the front office can't answer, don't hesitate to contact me at clerk@townofoakcreek.com or (970) 846-4582.
