Town of Oak Creek

12/1/2024

Edition 11, Volume 13

Town Board Matters

The Town Board is once again continuing efforts to encourage our local Oak Creek and South Rount economy by supporting local events such as the upcoming Oak Creek Holly Festival on Saturday, December 7th.

The “Tis the Season to Shop Local & Win Local” is another way to enjoy our local holiday opportunities. Shop locally and enter to win wonderful prizes. Visit our South Rount businesses this holiday season, save your receipts totaling \$100 and the registration card available at

these same businesses, and drop them at the Oak Creek or Yampa town halls. The prize drawing will be held at the Oak Creek Town Hall on December 27th at 11a.m.

The upcoming Town Board meeting on December 12th will mainly focus is the adoption of the 2025 Budget. The meeting starts at 6 p.m., and we urge you to attend. On December 13th, Town Board and Planning Commission members will be interviewing consultant firms to help us with the Oak Creek Comprehensive Plan update process planned for 2025.

Town Administrator/Clerk Corner

Prepare for Winter

We’ve gotten our Thanksgiving blast of snowy weather, and we know this is just the beginning. Public Works employees will be out wrangling with the snowy streets and looking out for those items that just didn’t get put away this Fall. Some reminders:

- Remember to put your trash wheel carts no earlier than Tuesday morning and pull them back out of the Town right-of-way Tuesday evening to ensure that they wont end up in the ditch
- All vehicles must be moved within 24 hours after a snow storm to allow for the completion of snow removal operations.
- It is important to make sure roads have been cleared of items and vehicles that will impair efficient snow removal operations. Public Works employees will greatly appreciate your efforts.

Thanks for your help in keeping us all safe!

’Tis the Season!

Town is busy, busy with events this December. Check out a class, meeting or just celebrate with friends. Hope to see you out and about!

Town Job Openings:

- Public I or II
- Utility/Deputy Clerk
 - Both jobs are Full-Time with Health & Retirement Benefits
- Custodian (PT Employee or Contract)

Contact Town Hall for more info: (970) 736-2422

Town of Oak Creek

12/1/2024

Edition 11, Volume 13

Asuntos de la Junta Municipal

El Ayuntamiento continúa una vez más sus esfuerzos para alentar la economía local de Oak Creek y South Routt mediante el apoyo a eventos locales como el próximo Festival de Acebo de Oak Creek el sábado 7 de diciembre.

El evento “Tis the Season to Shop Local & Win Local” es otra forma de disfrutar de nuestras oportunidades locales de vacaciones. Compre localmente y participe para ganar premios maravillosos. Visite nuestros negocios de South Routt esta temporada navideña, guarde sus recibos por un total de \$100 y la tarjeta de registro disponible en estos mismos negocios y déjelos en los

Ayuntamientos de Oak Creek o Yampa. El sorteo de premios se llevará a cabo en el Ayuntamiento de Oak Creek el 27 de diciembre a las 11 a. m.

La próxima reunión del Ayuntamiento del 12 de diciembre se centrará principalmente en la adopción del Presupuesto 2025. La reunión comienza a las 6 p. m. y lo instamos a asistir. El 13 de diciembre, los miembros del Ayuntamiento y de la Comisión de Planificación entrevistarán a empresas consultoras para que nos ayuden con el proceso de actualización del Plan Integral de Oak Creek planificado para 2025.

Administrador Municipal / Secretario Esquina

Prepárese para el invierno

Hemos tenido nuestra ráfaga de nieve del Día de Acción de Gracias, y sabemos que esto es solo el comienzo. Los empleados de Obras Públicas estarán lidiando con las calles nevadas y buscando aquellos artículos que no se guardaron este otoño. Algunos recordatorios:

- Recuerde colocar los contenedores de basura con ruedas no antes del martes por la mañana y sacarlos de la vía pública el martes por la noche para asegurarse de que no terminen en lazanja.
- Todos los vehículos deben moverse dentro de las 24 horas posteriores a una tormenta de nieve para permitir la finalización de las operaciones de remoción de nieve.
- Es importante asegurarse de que las carreteras se hayan despejado de elementos y vehículos que puedan afectar la eficiencia de las operaciones de remoción de nieve. Los empleados de Obras Públicas apreciarán enormemente sus esfuerzos.

¡Gracias por su ayuda para mantenernos a todos seguros!

¡Es la temporada!

La ciudad está muy ocupada con eventos este diciembre. No te pierdas una clase, una reunión o simplemente celebra con amigos. Esperamos verte por ahí.

Puestos Vacantes en el Ayuntamiento:

- Obras públicas I o II
- Auxiliar administrativo/de servicios públicos
 - Ambos puestos son de tiempo completo con beneficios de salud y jubilación
- Conserje (empleado a tiempo parcial o por contrato)

Comuníquese con el ayuntamiento para obtener más información: (970) 736-2422
