Mag Chloride

We will once again be coordinating with Routt County's supplier for mag chloride road treatment. Mag chloride treatment of Town roads is scheduled for early to mid-June as long as the weather cooperates.

Meter Pit Installations

Public Works personnel will be undertaking the last leg of the Town's water metering project with the installation of meter pits for those properties that require them. Town personnel will be reaching out to these property owners as work is undertaken.

Land Use Approvals Needed

Planning a fence, shed or deck this summer? While you may not need a building permit, you do need a Town Land Use Approval before beginning construction. Give us a call with any questions!

Main Street Flowers

We will start hanging and planting flowers along Main Street in mid-June. We have made arrangements to have the Rocky Mountain Youth Corps Youth Service Corps help us again this year.

The 22nd Annual Taste of South Routt

The 22nd annual Taste of South Routt will take place **Saturday, June 22nd** at Decker Park and will last from Noon-6 pm.

The Taste of South Routt, affectionately known as TOSR, was started in 1997 as a cooperative effort between two local restaurants and the local Economic Development Council. Admission to the event was, and still is, \$1. Local musicians and a beer garden lend a festive atmosphere to the event. In following years, vendors of all types have been added. The Oak Creek Labor Day Committee currently organizes and sponsors the event.

This family friendly event serves two purposes. First, it is an opportunity for our local businesses to provide a sample of their products or services to a concentrated audience. Additionally, we also see this as a "Thank You" party for the community that supports its local businesses.

If you would like to volunteer, vend, or donate, please contact Julie Hoff, (970) 291-9099 or coloradohoffs@gmail.com. Vending application is also available on the Town's website home page: www.townofoakcreek.com
